**FDR2019 Selected Paper**

The FDR2019 organizing committee has decided to award the FDR2019 Selected Paper to the following 16 presentations. Congratulations to the authors!

The committee strongly recommend these excellent studies to be submitted as full papers to the technical journals of JSME /AESJ, i.e. Mechanical Engineering Journal (MEJ) / Journal of Nuclear Science and Technology (JNST).

Note: Information concerning submission to MEJ or JNST will be sent soon to the corresponding authors by e-mail.
